Fraud Charge Blows Up

SSOURINEEDS JUDGE SPENCER

Patriotism Demands Him. Look at His Wonderful Record. He Did His Part, Let Us Do Ours.

The Democrats are becoming alarmed. Judge Spencer's success in the Primaries, throughout the State was so decisive that his popularity everywhere was clearly shown. The Democrats now see that Spencer will win in the State as well as in St. Louis and they are trying to steal the election by scaring Colored voters away from the Polls by different kinds of methods, one of which is the making of a police canvass to deceive the colored voter. This one thing should be borne in mind by all colored voters; namely, that every American citizen who has resided in this City for one year prior to November 5, 218, Election Day, and who was duly registered on Registration Day, has a perfect right to vote regardless of where he works, so long as St. Louis is his home. If you are a qualified voter, DON'T fail to vote. This is a sacred right of which every man must avail himself. This Government cannot remain free unless everybody, regardless of race, creed or color has an opportunity to vote according to his choice.

The Mayor, as well as the Republican City Committee has promised to protect all qualified voters in this most sacred privilege, the right of franchise.

Dyer, Congressman from the 12th Congressonal District whose recommendation alone is worthy of support. We personally know that Mr. Moore, has for years been a staunch friend of the Negro.

We also further recommend that you vote end support Jos. W. Shine for re-election as Constable of this District; which position he has filled for the past four years with credit to himself and the Republican Party.

We further recommend that you vote the straight Republi-ian ticket. Avoid scratching, as hundreds of Colored votes were illusted the last Primary Election-owing to the fact that sitempts were most to scratch the ballot and thereby the same were muti-ated and thrown out.

How To Vote On Election Day,

On November 5th go to your voting place, give your pame and address to a judge, after which he will hand you five different ballot. Republican, Democrat, Socialet, Independent, etc. take these into the booth and pick the Republican ballot, fold and carefully hand back to the judge and see that it is placed in the ball box.5
